Team Race Championships at <b>Yale</b> on <b>Monday, August 11th</b>				
The top two teams in each division attend				
<b>Basic ECSA Team Racing Format</b>				
1. Host Team divides boats into two groups				
2. Teams switch boats for second race				
3. Visiting team selects which group of boats to sail in third race				
4. All three races should be sailed, even if one team wins the first two, if time allows				
5. Dates can be moved by mutual consent of both clubs				
6. If race cannot be rescheduled by mutual consent, the team failing to meet				
the original date forfeits				
7. The host club must brief the visiting club on local conditions prior to racing
